Sir,

I have the honor to submit herewith a copy of the resolution of the Municipal Council passed in their meeting held on 14-10-1923 in the matter of increasing the scale of pay of the two Assistant Drivers of the Davangere Water Works -- from Rs. 40/- to Rs. 40-3/1-55 and to state that it is necessary that the scale of pay of the Assistant Drivers of the --- Water Works of this Municipality should be in conformity with that existing in the Water Supply Department, as they -- have to be drafted on to this Municipality from that Department when any transfers of such officers are found necessary.

The Executive Engineer, Water Supply Division, Bangalore, says in his letter No.1619 dated 15-6-23 that there are only two Assistant Drivers on Rs. 35/

Rs 35/- in other Water Works, that they ~~were~~ are not available for transfer, and they are also likely to be promoted soon to the scale of Rs.40-55.

I, therefore, request you to kindly obtain sanction of Government to increase the scale of pay of the Assistant Drivers as resolved by the Council.

A proposition statement is herewith submitted for kind information.

The extra charge to be incurred in this connection will be met by re-appropriation from the current year's budget grant.

As the Municipal Engineer ~~has~~ had sent up some other proposals also in connection with the Water Works Staff and as they were dropped by the Municipal Council only a few days back there has been delay in submitting the resolution of the Council.

I have the honor to be,

Sir,

In continuation of my letter No.C. 202 Ml.23-24 dated 22nd April 1924 forwarding for sanction of Government the proposal of the town municipal council, Davangere for raising the pay of the two Assistant Drivers employed for Davangere water works, I have the honor to forward herewith a copy of D.O.No.115 dated 21st May 1924 from the Executive Engineer, water supply Division, Bangalore in the matter of relieving one Lutchmiah lent to Davangere water works. As the scale of the Davangere municipal council does not permit the employment of a new hand as proposed by the Executive Engineer, I request that you will be so good as to obtain early sanction of Government in the matter of increasing the pay of the Assistant Drivers, as proposed by the municipal council.

D.O.No.115 dated 21-5-1924 from the Executive Engineer Water Supply Division to the Deputy Commissioner, Chitaldrug

Two of my trained hands in the Mysore water works have died within the last 3 months and we are badly in need of experienced men there. Owing to this fact, I transferred one Lutchmiah who had been lent to the Davangere municipality 3 years ago & posted another hand in his place. The President said that as the new hand draws a pay of Rs. 55 he could not take him but thathe wanted a man on Rs. 40. I said I had no hand on Rs. 40 and that as he did not want one on higher pay, he might appoint any one he liked on the lower pay and relieve Lutchmiah as he was very badly required at Mysore. I have writtento him several reminders and even sent a telegram recently. To all these, he merely replies saying that he has applied to Government for sanction to the higher scale of Rs. 55 and that he would relieve Lutchmiah only after that is sanctioned. This is very indefinite. I cannot afford to keep Mysore staff depleted for any time and early next month the Birthday festivities will be coming on when even extra hands will be required. I therefore request you to kindly write to him to relieve Lutchmiah at once.

I do not see what difficulty there can be in the matter as sanction for the higher scale has been applied for. The new hand that I propose to send draws the same pay as Lutchmiah and not more. If this hand is not wanted the municipality may make their own arrangements.

I request you to kindly treat this matter as very urgent and arrange for Lutchmiah's relief within the next few days.

AWaiting your reply.
